EARNEST HOUSE

ultra modern business district

EARNEST HOUSE architecture speaks for itself. It represents an innovative concept in Office Building Design. Every data from the Architectural and Planning point of view have been meticulously studied and analyzed in every detail to create a building that combines beauty with utility and there-by offers a comfortable working sease.

The building as you may well see has a beautiful, unique and very functional shape. It offers a sprawing 14,000 sq. ft. or her byiola office space on the first floor and 10,000 sq. ft. on the byiola upper floors. The facade has an imposing treatment in load-bearing concrete louvers, which will protect the facade from sun & rain and their repetitive character and well proportioned design of west be building a unique book and character.

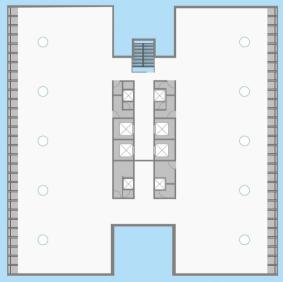

EARNEST JOHN & COMPANY LIMITED is a member of the larger congiomerate EARNEST JOHN GROUP of companies. The Group has been in existence since 1925 and has successfully ventured into multifatious activities in Pharmaceuticals, Real Estate, Property Development, Shipping, Exports, Infrastructure and Information Technology.
